Again this year the WRA is hosting our community get together, the Annual BBQ Picnic in the Sedgwick Way Reserve.

Come along, bring your family, neighbours and friends and enjoy a few hours of relaxation and fun. Make a note of the date.

Often these days, we seem to lead such busy lives, and seldom get the chance to catch up with our neighbours and others around us, so this event is always a good opportunity to do just that. This is especially a good opportunity to do so, if you've only recently moved into Westmorland.

It's not just for the children, so if yours have "left the nest", come and enjoy anyway. Bring your picnic chairs, your sunhat and join us.

- Barbecued sausages will be provided by the committee.
- Bring some cash with you - icecreams are \$2 and there will be a coffee cart available for anyone wanting their caffeine fix.
- Events will be in full-swing from 12 noon. (Weather cancellation via fbk).

So, whether you want to join in the fun, relax and enjoy the ambience, or just watch the goings on, everyone of all ages is welcome.

... more picnic stuff!

- ◆ **DONATIONS** ... if you haven't yet got around to making your donation, there will be a donation-facility table at the picnic this year to do so.
- ◆ **CANCELLATION** ... For any weather cancellation please check our Facebook Page (*Westmorland Residents Association*).
- ◆ **PREDATOR FREE PORT HILLS** is a backyard trapping initiative in the urban fringe surrounding the Port Hills and Lyttelton Harbour. The vision is to have a trap in one of every five households within five years. The focus is on trapping rats, possums, weasels, stoats and ferrets. Visit them at the picnic to learn more about -
 - * What pests there are in urban areas like Westmorland.
 - * What harm pests do.
 - * What you can do to help our native wildlife.
 - * How the traps work and what is the best trap for your household.We already have more than 18 families with traps in their backyards in Westmorland. Bring some cash as you will be able to purchase or borrow a trap to take home and start trapping. These are subsidised by the Summit Road Society.

ANNUAL WRA DONATION - *Our financial year is 1 Sept - 31 Aug*

A really big thank you for the donations received so far - your support is much appreciated. We request that households make a small annual donation of \$10.

Unfortunately the last financial year saw a big drop in the number of households who gave a donation, which is rather disappointing, especially as the local population is increasing with the new subdivisions coming on stream. However, we all know that sometimes it just slips our minds, or we are not sure whether or not we've paid it, so this is a reminder that the new WRA financial year started 1st September 2018.

◆ *To explain to new Westmorlanders - our annual contribution helps support our Westmorland community in many ways, ie towards providing our newsletters, our annual community BBQ/ Picnic, maintenance of our website, and a lot more. Your support for your community in this way, enables us to help you.*
